ASVET MEMORANDUM: 02-06

MEMORANDUM FOR: REGIONAL ADMINISTRATORS AND DIRECTORS
FOR VETERANS' EMPLOYMENT AND TRAINING

FROM:

CHARLES S. CICCOLELLA

SUBJECT: VETS Strategic and Performance Plan 2006-2010

I. Purpose: To transmit the VETS Strategic and Performance Plan 2006-2010 brochure.

II. Background: Our strategic plan reflects agency strategy and performance relative to the Department's Strategic Plan, the VETS performance budgets for FY 2006 and 2007, and operational strategies in my Policy and Guidance for FY 2006-FY 2008 (ASVET Memorandum 01-06).

The yellow bordering on the brochure folds to align the linear relationship between departmental goals and VETS goals, performance outcomes, and the methods by which these will be measured. The blue bordering unfolds to identify VETS' specific programs and the operational strategies to meet agency performance goals.

This brochure will be updated each year.

III. Action: VETS staff should distribute this brochure to stakeholders and partner agencies.
