AND TRAINING
ALL STATE WORKFORCE AGENCY (SWA)
ADMINISTRATORS
ALL REGIONAL ADMINISTRATORS, EMPLOYMENT
AND TRAINING ADMINISTRATION

FROM:

FREDERICO JUARBE JR.

SUBJECT;

Veterans' Employment and Training (VETS)
Realignment of Pre-Existing Ten Regions
into Six Regions

- I. **Purpose:** To provide notification of the realignment of Veterans' Employment and Training (VETS) pre-existing ten region structure into six regions.
- II. **References:** U.S. Department of Labor, Employment and Training Administration, Strategic Plan 1999-2004, September, 2000; Memorandum of Understanding Between the U.S. Department of Labor and the National Council of Field Labor Locals (NCFLL).
- III. **Background:** In Fiscal Year 2002, the Employment and Training Administration (ETA) began the process of consolidating its ten regions into a structure of six. The purpose behind this realignment was to provide several benefits: more staff for front-line work by pairing regions, aggregating administrative functions, and reducing resources spent on supervisors; better use of staff; greater flexibility in focusing expertise in response to new initiatives and challenges; and more consistent per-state service ratio of thousands of U.S. organizations for improving business results and responding to ever-changing marketplaces and demands.

The U. S. Department of Labor has entered into a Memorandum of Understanding (MOU) with the NCFLL to realign the regional structure of VETS in order to conform

with the ETA and Office of Assistant Secretary for Administration and Management (OASAM) regional structures.

- IV. Guidance: Effective October 1, 2004, the six region organizational structure for Veterans Employment and Training (VETS) is as follows:

MEMORANDUM OF UNDERSTANDING
BETWEEN THE
U. S. DEPARTMENT OF LABOR
AND THE
NATIONAL COUNCIL OF FIELD LABOR LOCALS
(NCFL)

INTRODUCTION

This Memorandum of Understanding (MOU) is entered into between the U.S., Department of Labor (DOL) and the NCFL in accordance with the applicable provisions of the master DOL-NCFL Agreement (Agreement).

SUBJECT

This MOU concerns the realignment of Veterans' Employment and Training Service (VETS) in the regions

BACKGROUND

The Department shared with the NCFL its plan to realign the regional structure of VETS to coincide with the ETA and OASAM regional structure. The plan specifies that VETS realign its regional structure by consolidating its existing operational structure from ten Regional Administrators to six Regional Administrators (RA). The four RA positions to be eliminated were vacant and had been for some time. The four RA positions to be eliminated were for the New York City, Kansas City, Denver, and Seattle standard regions with the RA positions for Boston, Chicago, Dallas and San Francisco respectively assuming responsibility for those four consolidated regions.

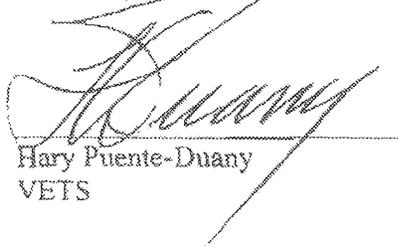

TERMS OF AGREEMENT

1. The parties concur in the implementation of the VETS realignment plan described above during FY 05.
2. The parties agree, that under the new structure, the RA for the four realigned regions, have the full and appropriate labor management relations responsibilities defined in the NCFL/DOL Agreement, including serving as Step 2 officials, for their combined regions.

3. The Regional Labor Management Relations Committee meetings will continue to be conducted in accordance with Article 3 of the Agreement with specific reference to Section 1 B 7. governing consolidated regions.
4. The parties agree that this realignment will not result in any NCFL bargaining unit employees losing their positions or grade nor being reassigned.
5. Office space changes will continue to be handled in accordance with Article 23 of the Agreement. Accordingly, the parties reaffirm, that where an office space change is proposed by VETS, the affected RCBC will be notified and if formal bargaining is requested negotiations will be handled regionally with the affected RCBC.
