

*“When we meet a woman
veteran, we are often shocked
because she defies our
expectations: our expectations
of who she is, our expectations
of what she is capable of
and where she has been...
and most of all, our
expectations of
WHO a veteran is.”*

U.S. DEPARTMENT OF LABOR
WOMEN VETERAN INITIATIVE

2013
EMPLOYMENT
LISTENING
SESSION

A collaborative effort with veteran organizations, community partners, federal partners and DOL agencies to address the employment challenges of women veterans.
