OFFICE OF FOREIGN LABOR CERTIFICATION, EMPLOYMENT AND TRAINING ADMINISTRATION, USDOL

**Office of Foreign Labor Certification
2015 H-2B Interim Final Rule (IFR) Job Order Content Checklist
January 2016 (Updated)**

A completed job order must be submitted to the State Workforce Agency (SWA) at the same time the employer submits the H-2B application and a copy of the job order to the Chicago National Processing Center (NPC). 20 CFR § 655.16. The job order must offer U.S. workers no less than the same benefits, wages, and working conditions that the employer is offering, intends to offer, or will provide to H-2B workers. Each job qualification and requirement must be bona fide, disclosed in the job order, and consistent with the normal and accepted qualifications and requirements imposed by non-H-2B employers in the same occupation and area of intended employment.

The job order must address the content requirements at 20 CFR § 655.18, consistent with new requirements contained in the 2016 Department of Labor Appropriations Act (Division H, Title I of Public Law 114-113) (2016 DOL Appropriations Act), which was enacted on December 18, 2015. Although each employer's job opportunity and business operation is unique, we provide below, where appropriate, example language that may help employers better understand how to disclose their obligations under the regulations. In addition, employers may use abbreviations so long as the abbreviation clearly and accurately captures the underlying job order content requirement.

Agent/Recruiter Documentation

▪ Agent and Recruiter Agreements

- Agents must provide an agent agreement.
- Foreign recruiter agreements must include the identity and location of all persons and entities hired by or working for the hired foreign recruiter.
- If the employer is not using a foreign worker recruiter, then we will need a statement indicating that.

Recruitment Report

■ Recruitment Reports

- Must not be on attorney/agent letterhead and not signed by attorney/agent.
- Employer must prepare and sign the recruitment report
- Be mindful of required content for recruitment reports. Many recruitment reports are missing content. (See 655.48)
